

Marty Block doesn't share our San Diego values

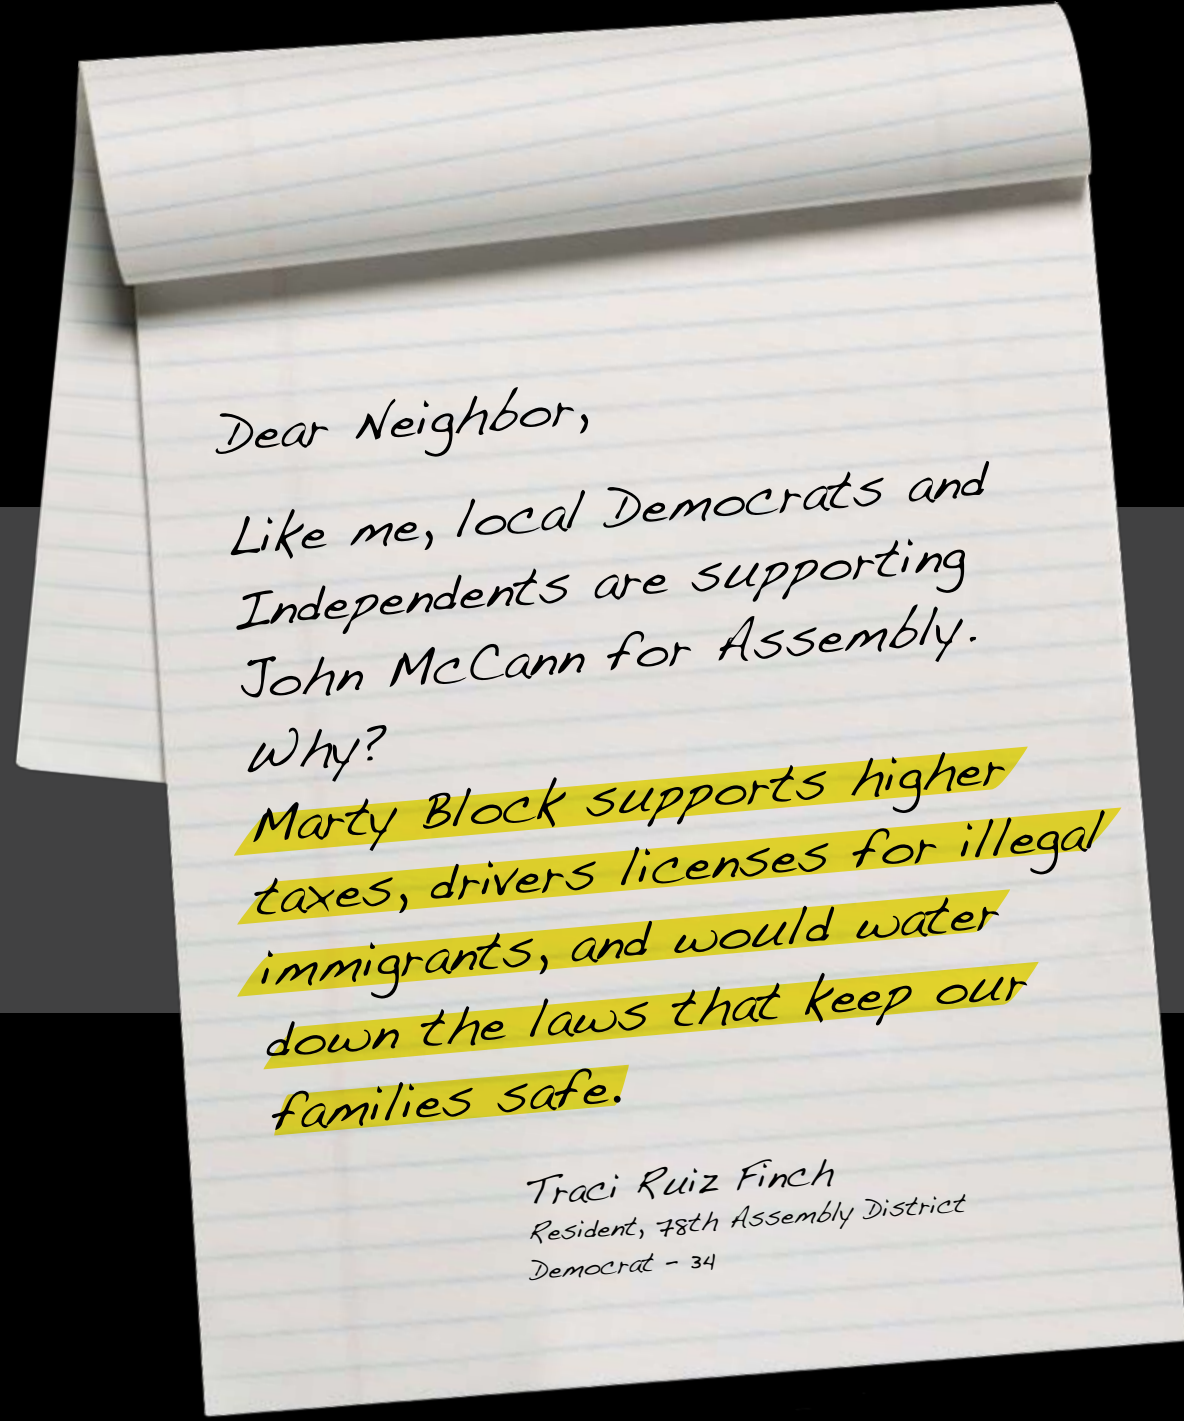

That's why hundreds of local Democrats and Independents have endorsed John McCann for State Assembly...

See what others are saying...

Marty Block: Too Extreme for Local Democrats and Independents

Marty Block: Raising Our Taxes, Again

“Marty Block supported raising our property taxes in the past, but now that he’s running for Assembly he says he won’t do it again? Give me a break. At least Marty could be honest and not just tell us what he thinks we want to hear.”

Robert Peraza
Resident, 78th Assembly District
Democrat – 78

Marty Block: Watering Down Three Strikes

“Wait a second – I’m a lifelong Democrat but I can’t vote for Marty Block. He wants to water down “Three Strikes” and “Jessica’s Law”—the laws that keep our families safe from violent felons and sexual predators. NO WAY!”

Traci Ruiz Finch
Resident, 78th Assembly District
Democrat – 34

Marty Block: In-State Tuition for Illegal Immigrants

“There is no room in college for our own kids, but Marty Block supports a law to let thousands of illegal immigrants go to college – and to let us pay their tuition. I’m a Democrat but I can’t support Block.”

Erin Wruck
Resident, 78th Assembly District
Democrat – 22

Marty Block: Amnesty for Illegal Immigrants

“Marty Block wants to give illegal immigrants amnesty? And drivers licenses? And in-state college tuition? And pay for their healthcare and education? No thanks. My family can’t afford Marty Block.”

Layla Villegas
Resident, 78th Assembly District
Democrat – 32

Marty Block: Trial Lawyer

“Sacramento is a mess. Marty Block is a trial lawyer and a career politician. That’s just more of the same. We need to shake things up! That’s why I’m voting for Navy Officer John McCann – he’ll stand up to both Republican and Democrat Party Bosses.”

Ward Keyes
Resident, 78th Assembly District
Democrat – 50

Marty Block: Killing Local Jobs

“We are in an economic crisis and Marty Block wants to raise taxes on small business owners? How are people supposed to find work if local jobs leave?”

April Greathouse
Resident, 78th Assembly District
Democrat – 42
